We need your help!

In the effort to ensure that our reading logs are the best they can be, we need your recommendations! If you found any great books that were not on this list, please write the names and authors below so we can add them to future lists. As well, if you found any books that you think should be removed, please list below as well. Thank you for helping us make sure that we are getting better and better each day!

Title and Author please!
